

## ***WATERLOO ELEMENTARY SCHOOL NEWSLETTER***

Dear WES parents,

As I scroll through our Facebook page I get to see our year in review. It never ceases to amaze me how many wonderful things happen here, from our Terry Fox run in the fall, to our Halloween parade, to all the wonderful events surrounding Christmas. There's our Career Day, the annual Grade 3 math competition, our many sports tournaments, the dances, and this year we also had our STEAM day. We'll end the year with class trips and a visit to the arts museum in Montreal and to top it all off – we'll have our wonderful carnival day hosted by our PPO. We are blessed to have so much to celebrate and I am so thankful for our hard-working students, our dedicated staff, our many many volunteers and for you – our parents who work with us hand in hand to encourage our students to strive for an excellent education. We want to inspire our WES students to stay in school and to open up every opportunity for their future.

I'd like to wish all of our WES families a blessed summer of fun and relaxation...and hopefully lots of reading to keep those reading muscles flexed. Be safe and we look forward to welcoming your children back in the fall.

Sincerely,  
Cathy Canzani

## **NOON HOUR SUPERVISORS**

Our noon hour supervisors here at W.E.S. are an incredible and devoted part of our staff. They go above and beyond every single day, to make sure our students are safe and well looked after during their lunch. They have gotten to know each and every WES student, and make sure our students are comfortable coming to them with any issue imaginable. **We could not function without all of you!** Thank you all so much Jenny, Lorrie, and Abbie!

## **FUN DAY AT WATERLOO ELEMENTARY**

Wednesday, June 21<sup>st</sup> is CARNIVAL DAY at W.E.S. This is a full day of fun OUTSIDE activities for our students. Students will be provided with lunch, but PLEASE make sure you send them with hats, water bottles, and sun screen.

Our Kindergarten movie, “The Adventure”, written and produced by Ms. Natalie Barr, blew everyone's minds. We always knew WES was a place for budding artists. A big thank you must go to our K5 teacher, Natalie Barr and Elisa Joest. You made magic happen!

## **WISH LIST ITEMS FOR CLASSROOMS:**

The following items for your child/ren's classrooms were not added on the Consumable/Supervision list due to new legalities, however, If you would be willing to donate the following supplies it would be greatly appreciated:

- 2<sup>nd</sup> pair of indoor shoes
- Kleenex
- 1 package of photocopy paper
- baby wipes (younger grades)
- water bottle
- extra change of clothes to be kept in your child/ren's locker.

## **DRESS CODE**

Please remember that we have a dress code at W.E.S. Shorts must hit mid-thigh and no spaghetti straps for our older students. If your child is sensitive to the sun you may want to apply sunscreen in the morning and send along a hat and water bottle.

## **LOOKING FOR A VOLUNTEER:**

The front of our school needs some TLC. I'm looking for someone with a little tractor or maybe even a mini-backhoe to pull out some shrubs that are dying at the front entrance of our school. I so want the face of our school to be bright, welcoming and beautiful. Is there anyone with this type of equipment who would be able to help out?

**LOST & FOUND: Valuable Clothing!**

The lost and found closet (located in the playroom) is overflowing with beautiful items of clothing. PLEASE come and find your missing items before it is too late. We will be laying out the items in the playroom as of **Monday the 11<sup>th</sup> of June** for you to find your lost items. Please make sure you check before the last day of school.

From June **26<sup>th</sup> to June 28<sup>th</sup>** , we will be giving these items away. You will be able to visit our “lost and found store” in the playroom in the mornings to take any unclaimed items you need. On June 29<sup>th</sup> everything left over will be donated to the church.

**HAVE A WONDERFUL SUMMER BREAK!**
